Answers are available here (Hodder) Edexcel International GCSE Biology Student Book Second Edition (2017) by Larkcom and Delpech Answers are available here (Collins) Edexcel International GCSE (9-1) Biology Student Book (2017) by Clegg, Kearsley, Price and Smith Practicals workbook Edexcel International GCSE (9-1) Biology Student Lab Book: Exam practice and further application Not essential, but some families have found this helpful. (Hodder) Cambridge IGCSE Biology Study and Revision Guide 2nd edition.(2016) by Hayward. Will include questions about practicals Covers topics 1- 5 all content listed in syllabus (bold and not bold) Can use a calculator Edexcel IGCSE Biology Resources If you are not sure what textbooks or revision books to buy, or where to find answers, please ask on the HE exams and alternatives group You only need one student textbook and one is not better than the others, it is personal preference. There might be overlap with the above books. If you are not sure what textbooks or revision books to buy, or where to find answers, please ask on the HE exams and alternatives group (Be aware that there are some small specification changes in 2023, so publishers might bring out new editions) Student Textbooks (Oxford University Press) Complete Biology for Cambridge IGCSE Student Edition (2017) by Pickering (Cambridge University Press) Cambridge IGCSE Biology Coursebook with CD-ROM (2014) by Jones and Jones (Cambridge University Press) Cambridge IGCSE Biology Coursebook with CD-ROM and Cambridge Eleve Enhanced Edition (2 Years). Edexcel also offer Human biology. (In this link this OUP revision guide appears to be part of a bundle, however it might be available separately elsewhere) (CGP) New Cambridge International GCSE Biology Complete Revision & Practice: Core & Extended + Online Ed (2020). There are a couple of subtopics being dropped from 2023 exams, but papers from before will still be useful. Diseases and Immunity 11. www.biology-resources.com- list of experiments Quizlet flashcard sets on IGCSE Biology RSC Teacher Resources For a little extra Sciencebuddies Most of the projects suggested were 'hard beginner' or intermediate but some of the advanced look highly doable. Naked Scientists Tip: use 'search' and then 'advanced search' (eg. New Grade 9-1 Edexcel International GCSE Biology: Revision Question Cards (2019) Note these are question cards not flash cards of topic summaries. Paper 1B will also have Double Award listed on the front - this is because the same paper is used for both qualifications - those sitting IGCSE Biology sit 1B and 2B, those sitting Double Award Science sit 1B, 1C and 1P. Cambridge (CAIE) IGCSE Biology Cambridge offer 2 IGCSEs in Biology from 2019. More able students can opt for the higher (extended) tier (papers 2, 4 and 6) with the grade range of 9-1. Created by a home educator for the latest (2017) syllabus. (Note that the textbook answers on the site appear to be for the 2nd edition of the book, not the most recent third edition, and other resources might be similarly out of date). By Pickering. Carrying out practicals will help with understanding but it is not a requirement, videos can be found of most experiments - the Biology Practicals page overs ideas and support. They are the same specification and can be used as practice. Assessment The specification has three papers: a 1h Alternative to Practical, a 45 min Multiple Choice and a 1 hr 15 Theory paper. Candidates study the following topics: Characteristics and classification of living organisms, Organisation of the organism, Movement in and out of cells, Biological molecules, Enzymes, Plant nutrition, Human nutrition, Transport in plants Transport in animals, Diseases and immunity, Gas exchange in humans, Respiration, Excretion in humans, Coordination and response, Drugs, Reproduction, Inheritance, Variation and selection, Organisms and their environment, Biotechnology and genetic engineering, Human influences on ecosystems Cambridge Biology is 'tiered' students enter for core (which allows them to achieve grade 5-1) or extended (which allows them to achieve grade 9-1). GCSE biology does not have a practical exam, BUT the head of the exam centre has to sign a form for each candidate saying that the candidate has been offered the opportunity to carry out all core practicals at the centre. IGCSE biology specifications have 'alternative to practicals' questions as part of the written exam papers. Cambridge IGCSE Biology syllabus 2019 Click the following link for the latest 2019 Tuition Timetable & Fees Click the following link for the latest Chemistry revision notes (2016-2018) and topical questions : IGCSE Chemistry Notes Fun in IGCSE Biology Posted on May 18, 2021 by Home / Courses / Biology / IGCSE Biology Topical Questions+ Most home-ed students take International GCSE (IGCSE) biology exams, which consist of written exams only. The free material is only available in the iTunes U app on iPhone or iPad, not on a PC or windows laptop. Gas Exchange in Humans 12. You don't need to buy all of them! CGP Some people find CGP revision books cluttered, and other people love them. They are the same syllabus and useful for practice. General Resources Key Biology Practicals for Edexcel IGCSE - table of key activities and resources, videos etc compiled by our member Tracey S. These are because they were sat in different time zones. The Edexcel Certificate,KB10, was the state schools' version of the IGCSE. Revision books and workbooks Revision books and workbooks aren't essential, but some students find them helpful. (Oxford University Press) Complete Biology for Cambridge IGCSE® Student Book & Revision Guide Pack. Those doing Core just need to study the core content, those doing Extended need to study the core and supplementary content. Human Nutrition 8. Reproduction 17. There are lots of options below, so they have been organised by publisher. The difference is in the grading, 0970 being 9-1 and 0610 being A*-C, otherwise the syllabus is identical. There is a mapping document on the 2017 specification page. (2016 - Word Doc) which describes changes and additions from the previous 2011 specification which might be helpful. Some people find the layout a little cluttered, so check on Amazon's 'see inside' feature to compare with other textbooks. Inheritance 18. Drugs 16. Will include questions about practicals Covers topics 1- 5 but only the content that is listed in the syllabus not in bold Can use a calculator Paper 2 - 1hr 15 minutes - 70 marks - 38.9% A mixture of different question styles, including multiple-choice questions, short-answer questions, calculations and extended open-response questions. This is for the specification for exams from 2023. Our goal is to establish a firm foundation on each topic in biology, stretch students further and stimulate their interest in the subject by injecting real world application of biology. Other resources Seneca Learning is a free resource site with courses on CIE Biology for IGCSE. Organisms and their Environment 20. Biotechnology and Genetic Engineering 21. Transport in Plant 9. (Oxford University Press) Cambridge IGCSE® & O Level Complete Biology: Workbook Fourth Edition. Grade 9-1 Edexcel International GCSE Biology: Complete Revision & Practice with Online Edition This book combines the CGP revision guide with questions, but has fewer questions than if buying the exam practice workbook. CAIE science IGCSEs are tiered. IGCSE Biology Pinterest board resources for general Biology, compiled by one of our members. CAIE International GCSE Biology (0970) page and specification CAIE International GCSE Biology (0610) page and specification 0970 was new in 2019, any tweaks to 0610 at the same time look to be minor so papers from pre-2019 will still be useful. (2021) by Pickering. It is aligned to the old Edexcel biology syllabus, so not CAIE specific, but is still a useful resource. (2020) States that is is for exams in 2022 and 2023, but do check for any changes in specification that might be relevant. Papers with an R suffix were available in a different time zone. Other useful resources for Edexcel IGCSE Biology MEXham Youtube channel has a series of good videos which are geared toward the Edexcel IGCSE biology syllabus. In order to assist students, we have prepared IGCSE Biology notes for further reference. Past papers can be accessed through the specification page or here. You can use both 0970 and 0610 papers to practice either spec. Do I need to complete practicals for IGCSE Biology? Variation and Natural Selection 19. Biology Practicals Science A levels (includes information on practical endorsements for A level) Alternative Qualifications (see Science and Engineering section) Biology - FAQs Can I do GCSE Biology? Student textbooks (Pearson) Edexcel International GCSE (9-1) Biology Student Book (2017) by Bradfield and Potter. Although there is no practical exam in IGCSE Biology, an understanding of practical work is necessary. Course providers can be found on the Distance Learning Providers page. Chemistry Boutique offers one of the best class IGCSE Biology tuition in Klang Valley. Past papers Past papers can be found on the specification pages or sites such as pastpapers.co and papacambridge. IGCSE exams contain questions about equipment, experiment design, and procedures, as well as safety and general scientific methodology, such as controlling variables. Click the following link for your reference to know more about International General Certificate of Secondary Education, IGCSE Biology: Cambridge IGCSE International GCSE Biology Notes The following notes are the complete and updated Cambridge IGCSE Biology notes and its related past year topical question: IGCSE Biology Notes (Year 10) 1. Hodder My Revision Notes: Edexcel International GCSE (9-1) Biology (2018) By Nixon Edexcel International GCSE Biology Workbook (2017) by Larkcom, Delpech and Evans Answers are available here Exam board resources The Teaching and Learning materials on the specification page has topic guides, mapping documents, exemplars, past training and getting started guides which are really helpful. For most home educators, GCSE Biology is not an option and they must do IGCSE. Starting from 2016 onward, there are some major changes to the syllabus and additional of several new topics. It includes information on obtaining supplies and hints and tips. The multiple choice and theory exams used to be taken back to back (so effectively 2 hours), but for the past two years have been examined on separate days. Transport in Animals 10. Organisation of the organism 3. 0970 was new in 2019, any tweaks to 0610 at the same time look to be minor so papers from pre-2019 will still be useful. You can use questions from the past papers of the 2011 syllabus for practice, but be mindful of any minor changes in the syllabus that happened when updated in 2017. Exams from: 2019 Available in Autumn and Summer series Specification code: 0970 (9-1) or 0610 (A* - C) There are small amendments to the specification for exams from 2023, mainly a couple of subtopics being removed. Take a look on the 'look inside' feature of Amazon to see whether they will suit your child. It was available until Summer 2017 and is identical to 4B10, the 2011 IGCSE syllabus for exams from 2013-2017. Grade 9-1 Edexcel International GCSE Biology: 10-Minute Tests (with answers) Again, not essential, but a possible tool for some students. Both specifications have a list of core practicals that the candidate is required to understand, but no form has to be signed to say these have been done/observed making the specifications easier for private candidates to access. This means that less able students can opt for the core tier, (papers 1, 3 and 6) but can only get a maximum grade of C or 5. Human Influence on Ecosystem Click the following link for the latest syllabus of IGCSE Biology. The actual downloads are available from the iTunes Stephen Pearse Foundation Store. Coordination and Response 15. (Collins) Cambridge IGCSE Biology Student's Book (Collins Cambridge IGCSE™) (2014) by Kearsley and Clegg. (2015) by Burton. Unlike GCSEs, IGCSEs do not require core practical work to be carried out in the exam centre. Cambridge (CAIE) and Edexcel IGCSE Biology are exam-only syllabuses and are available to private candidates. Biological Molecules 5. There are many practicals on the GCSE and IGCSE syllabus which can easily be carried out at home. Grade 9-1 Edexcel International GCSE Biology: Revision Guide (2017) designed for revision, but can also give a useful overview. Subject Content Cambridge Biology has more human biology content than Edexcel. It is aligned to the old Edexcel biology syllabus, but still a useful resource for the new syllabus. In order to give students a more competitive edge, our IGCSE Biology tuition includes lab skills practice. New Edexcel International GCSE Biology Practice Papers for the Grade 9-1 Course (2020), bacteria in 'search for', internal pages in 'search in' and experiments in 'category' will come up with a few experiments mostly suitable to GCSE, some a bit young) Distance Learning Many home-educated students study Biology successfully using just the textbook and free online resources, but some find a distance learning course suits their family better, or want to use a tutor occasionally for marking essays or past papers. Edexcel International GCSE Biology This is a popular choice among home educators, as it is often easier to find an exam centre in the UK for Edexcel exams. Movement in and Out of Cells 4. Some exam centres will only enter students for 0970. Click4Biology Youtube channel has videos with a no-frills approach to covering the topics. Please see our page Biology Practicals about doing biology experiments from home. Presumably for 2022/23 exams. Edexcel International GCSE Biology: Grade 8-9 Targeted Exam Practice Workbook (with answers) questions for students aiming for top grades. Characteristics and Classification of Living Organism 2. Note that the practical components of Edexcel and CAIE syllabuses for single sciences are very similar, so you can use resources for either. (2020). (2017) by Jones and Jones. Most centres won't do this for external candidates. Enzymes 6. Some publishers will provide links to answers if you contact them. Our International General Certificate of Secondary Education (IGCSE) biology programme is specially designed to enable students to excel in the IGCSE (CIE or EDEXCEL) Biology subject.
